Source: 1997, 1999, 2001, 2003 and 2005 American Housing Survey and the author's calculations.

Notes:

2003 & 2005 use alternative weights provided by the Joint Center for Housing Studies. Values for 2003 differ from prior publications because of the use of revised weights and a revision to the working status criteria (earnings of minors are omitted).
