October 4, 2017

President Donald J. Trump
The White House
1600 Pennsylvania Avenue, NW
Washington, DC 20500

The Honorable Mitch McConnell
Majority Leader
U.S. Senate
Washington, DC 20510

The Honorable Charles Schumer
Minority Leader
U.S. Senate
Washington, DC 20510

The Honorable Paul Ryan
Speaker of the House
U.S. House of Representatives
Washington, DC 20515

The Honorable Nancy Pelosi
Minority Leader
U.S. House of Representatives
Washington, DC 20515

To President Trump, Majority Leader McConnell, Minority Leader Schumer, Speaker Ryan, and Minority Leader Pelosi:

We, the 542 undersigned organizations, write as part of a Hurricane Housing Recovery Coalition to urge you to take immediate action to provide aid to the millions of people living in Puerto Rico and the U.S. Virgin Islands, whose lives have been devastated by Hurricanes Irma and Maria. As fellow Americans—who have already lost so much—face a growing humanitarian crisis, Congress and the Administration must act with all due haste.

The Hurricane Housing Recovery Coalition is a broad group of national, state, and local organizations—including many working directly with impacted communities in Texas, Florida, Puerto Rico, and the Virgin Islands and with first-hand experience recovering after prior disasters. We call on Congress, FEMA, and HUD to ensure that the federal response to Hurricanes Harvey, Irma, and Maria is complete and equitable for everyone, especially families and individuals with the lowest incomes who are often the hardest hit by disasters and have the fewest resources to recover afterwards.

While the Administration continues to assess the damage—which may take weeks or even months—to determine the amount of disaster relief to provide, families cannot wait any longer for these desperately needed resources to piece their lives back together. Many people’s homes were destroyed and most have no power or water, while supplies of food and medicine are dwindling. An estimated tens of thousands of people remain in shelters or have been made homeless across Puerto Rico and the Virgin Islands.

At a time when the health and well-being of millions of Americans are at risk, Congress and the Administration must take swift action. Congress should quickly pass and President Trump should sign another disaster relief package to ensure residents of Puerto Rico and the Virgin Islands have the resources they need to begin rebuilding their lives, including resources to address their immediate shelter needs and long-term housing stability. To this end, we have enclosed a comprehensive set of policy recommendations that Congress, HUD, and FEMA can take to ensure that housing recovery is fair and equitable.

We look forward to working with you in helping those families living in Puerto Rico, the Virgin Islands, and other impacted areas recover and rebuild.

Sincerely,
